Important Notes for the month of Ramadan:

- As there will be no PD program during the blessed month of Ramadan, we encourage everyone to make the most of their available time **in reflecting deeply on the above-mentioned verses, memorizing them, and sincerely striving to implement them in our daily lives.**
- The topics shared are only for guidance. Friends are most welcome to choose any other meaningful topics for discussion during Subbedari that help us grow spiritually and strengthen our connection with Allah.
- **Kindly ensure that the Shabbedari activity is completed before the 20th of Ramadan.**
- InshaAllah, a post-Ramadan quiz will be conducted based on the topics mentioned above, as a way to reflect and revise what we have learned during this blessed period.

May Allah grant us the ability to benefit fully from the month of Ramadan and accept our efforts….Ameen
